Lakefront Living at Its Finest! This exceptional fully fenced almost half acre waterfront property offers a rare combination of flexibility, functionality, and a spacious main residence, an attached in-law suite, and a detached in-law suite-perfect for multi-generational living, extended guests, or potential income opportunities. Situated on a picturesque lakefront setting in St. Cloud, this one-of-a-kind property also features a large 22' x 20' x 8' metal workshop built in 2022 with roll-up and walk-in doors, plus a separate metal storage shed, providing endless possibilities for hobbyists, business owners, boat enthusiasts, or anyone needing extra storage. The property has been extensively improved over the years, beginning with all new windows installed in both the main home and detached in-law suite in 2015, followed by a new vinyl fence in 2017 and a mini-split A/C system for the detached in-law suite the same year. Major system upgrades include new roofs on both the main home and detached in-law suite in 2023, a new hot water heater in 2023, a new 2.5-ton A/C system installed in 2024, and a new 4-ton 14.3 SEER A/C system installed in 2025. Recent interior enhancements completed in 2025 and 2026 include a new sliding glass door in the detached in-law suite, a revamped kitchen
